

Comex[®]

Texturi[®]
Ultraligera

Conoce **Texturi® Ultraligera** la línea premium de acabados texturizados de Comex.

Texturi® Ultraligera, es la única pasta texturizada en México 100% acrílica con tecnología aligerante que disminuye hasta 20% su peso.

Por sus propiedades **Texturi® Ultraligera** cubre imperfecciones del sistema constructivo, endurece los muros y alarga la vida de la superficie, satisfaciendo las necesidades de decoración del hogar, en obra nueva y mantenimiento en proyectos residenciales con acabados modernos, finos y muy vanguardistas.

Por su excelente dureza y resistencia, es ideal para uso en interiores y exteriores sin riesgo de caleo, agrietamiento o desprendimiento. Puede aplicarse sobre repellos y paneles de mortero o yeso.

Texturi® *Ultraligera*

Texturi® Ultraligera, mejora la aplicación, logrando avanzar más m² en menor tiempo y menos esfuerzo físico, disminuyendo riesgos de lesiones en los aplicadores y mejorando su productividad.

Proporciona ahorro en costos de transportación y maniobra, pues permite transportar hasta 25% más piezas en cada traslado, logrando cargar, descargar y estibar mucho más rápido por su fácil manejo.

Disponible en 5 granulometrías que varían en tamaño de mármol: Grosa, Semigrosa, Media, Tersa y Extrafina, para alisar muros cubrir azulejo remodelar o crear acabados modernos y vanguardistas.

Texturi® Ultraligera cuenta con máxima adherencia, dureza, resistencia y durabilidad. Es un producto base agua, libre de plomo y bajo contenido de VOC.

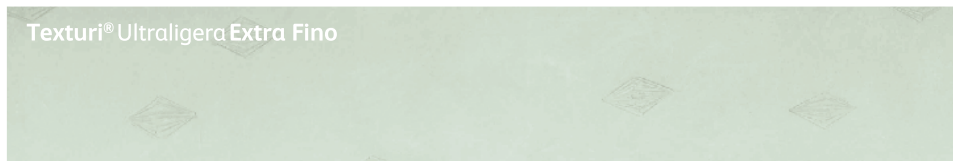

Disponible en 1160 colores.

Texturi® Ultraligera Extra Fino

Ideal para alisar muros, eliminar texturas anteriores y/o crear acabados discretos generando ambientes elegantes.

Texturi® Ultraligera Extra Fino

Texturi® Ultraligera Tersa

Ideal para embellecer muros creando acabados discretos con apariencia fina, como rayados con espátula o esponjeados.

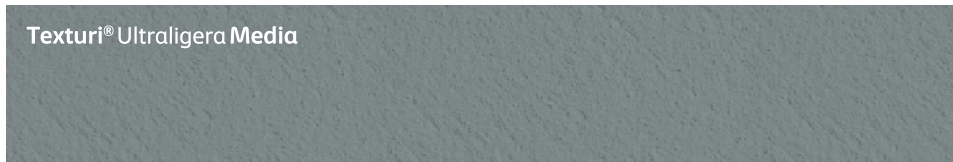

Texturi® Ultraligera Tersa

Texturi® Ultraligera Media

Ideal para aplicar en espacios amplios creando un acabado texturizado de grano medio con rugosidad ligera.

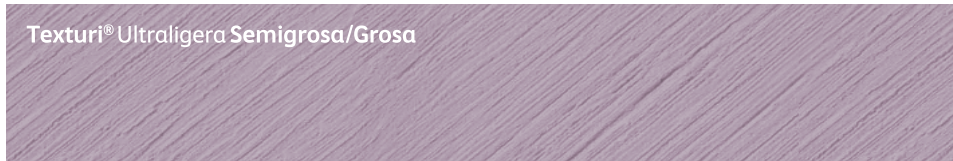

Texturi® Ultraligera Media

Texturi® Ultraligera Semigrosa/Grosa

Ideal para crear texturas pronunciadas, con gran versatilidad para lograr distintos acabados rugosos.
